

Directions

Wheal Rose Caravan & Camping Park

Please read these carefully to avoid turning onto the mineral tramway as you may get stuck!

From the north (Bodmin A30) dual carriageway:

- Go straight on at the Chiverton Cross Roundabout following the signs for Penzance and Redruth.
- After 2.2 miles take the next slip road which is signposted for **SCORRIER A3407**.
- As you come off the A30 there are two mini roundabouts. Go straight over the first mini roundabout (by The Plume of Feathers pub) and then turn right at the second mini roundabout taking you across the top of the dual carriageway (A30).
- Take the next left, sign posted **WHEAL ROSE**.

Go past Rhodda's clotted cream on your left and Prima Bakeries on your right (you will see a large cornish pasty on a signpost!). **Keep straight** for 500 yards, through both the traffic calming sections.

Turn left into the park **when you see our large signs and not before.**

From the South (Penzance A30) dual carriageway: Take slip road sign posted **BLACKWATER & PUBLIC WEIGHBRIDGE**, turn left at the roundabout and then take the first right sign posted **WHEAL ROSE**. Follow directions above.
