*Closed 12th June to 27th June

There are no extra charges for awnings, gazebos, toilet tents or trailers, but everything, including your car, must fit on your pitch and there must be a 3m clear gap between anything on your pitch and anything on your neighbour's pitch. There can only be one sleeping accommodation/unit on your pitch (a small 1-2 man pup tent can be used for a child under 16 years). If you have two tents or two campervans you will need two pitches. Any extra cars booked in **must be parked in the car-park by reception** for the duration of your stay and not on your pitch. For more information there is a detailed guide to choosing your pitch on our website (under helpful downloads).

There is a 4 night minimum stay in May half term and a 7 night minimum stay in high season. At all other times there is a 2 night minimum stay

We are a quiet, family orientated park. We accept a maximum of 2 bookings as a group unless by prior arrangement (please contact us for group bookings). We do not allow open fires (Charcoal or gas BBQ only) and have a quiet time 11pm to 7am. Any day visitors are not able to use the pool, this is for campsite customers only.

Standard pitch = 8m x 10m grass or gravel with electric hook up. **Max tent size recommended is a six berth tent 6m x 4m**

Large pitch = 10m x 12m grass or gravel with electric hook up.

XL pitch = 15m x 13m grass with electric hook up.
